

1999 NRAMP and professional development publications, reports, and presentations supervised or co-authored by Anthony E. Hechanova

Publications and Reports:

Hechanova, A.E., *NRAMP Comments on "Office of Environmental Policy and Assistance Guidance on Preparation of a Performance Assessment Pursuant to 40 CFR 191 for Greater Confinement Disposal at the Nevada Test Site,"* Letter report, Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, October 21, 1999.

Hechanova, A.E., and B.T. Mattingly, *An Analysis of the Intent of Environmental Standards that Apply to Transuranic Waste Disposed at the Nevada Test Site,* Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, 24 pages, October 11, 1999.

Jacobson, E., *NRAMP Comments on "Estimation of Upward Specific Discharge in Vadose Zone at Area 5 RWMS (T. Feeney and S. Conrad, August 23, 1999),"* Letter report, Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, October 7, 1999.

Hechanova, A.E., and A.K. Singh, "Comments on 'Performance Assessment in Support of the 1996 Compliance Certification Application for the Waste Isolation Pilot Plant,'" *Risk Analysis*, 19(5):987, October, 1999.

Jacobson, E., and A.K. Singh, *NRAMP Comments on "Proposed Method for Incorporating Lateral Diffusion into the PA for the TRU wastes in the GCD Boreholes (W. Beyeler, August 23, 1999),"* Letter report, Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, September 30, 1999.

Hechanova, A.E., and P.S. Morris, *A Review of Radiation Dose Response and Recommendations for the Final Step in Risk Assessment,* Final report, Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, September 16, 1999.

Hechanova, A.E., *Comments made at the LFRG meeting on August 19, 1999,* Letter report, Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, August 24, 1999.

Hechanova, A.E., L.J. O'Neill, B. Smith, C. Sully, and L. Wilson, *Bibliography of Studies Related to Radiation Exposure and Health in Nevada,* Internal report, Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, August 12, 1999.

Jacobson, E., *NRAMP Comments on "Screening Analysis of the Potential to Contaminate Groundwater Beneath the GCD Boreholes Based on the Combined Effects of Subsidence, Precipitation, Flooding and Climate Change (Kalinina et al., July 16, 1999),"* Letter report, Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, August 10, 1999.

Hechanova, A.E., and B.T. Mattingly, *NRAMP Proposal for Devising Alternative Compliance Criteria for the Transuranic Waste Disposed in the Greater Confinement Disposal Boreholes*

at the Nevada Test Site, Letter report to Angela Colarusso (DOE/NV), Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, July 13, 1999.

O'Neill, L.J., and E. Kendall, *Comments on the "Draft Inventory of Radioactive Materials for Inclusion in the Area 5 Radioactive Waste Management Site Composite Analysis (Bechtel Nevada, September 1998),"* Letter report, Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, June 30, 1999.

Hechanova, A.E., and L.J. O'Neill, *Comments on Legacy Waste Documents for the Area 3 Radioactive Waste Management Site,* Letter report, Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, June 30, 1999.

Hechanova, A.E., and B.T. Mattingly, *NRAMP Comments on "Chapter 5.0: Scenario Analysis For The Performance Assessment of The Transuranic Wastes Disposed in The Greater Confinement Disposal Boreholes at The Nevada Test Site,"* Letter report, Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, May 28, 1999.

Mattingly, B.T., *NRAMP Comments on "Assessing the Probability of Inadvertent Human Intrusion at the Nevada Test Site Radioactive Waste Management Sites,"* Letter report, Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, May 24, 1999.

Gerstenberger, S.L., A.E. Hechanova, L.J. O'Neill, B. Smith, C. Sully, and G. Swartz, *Baseline Radiation Health Study Bibliographies,* University of Nevada, Las Vegas, NV, May 5, 1999

Hechanova, A.E., and B.T. Mattingly, *The Determination of Applicable Release Limits for Transuranic Waste Buried in Boreholes at The Nevada Test Site using 40 CFR Part 191 Appendix A,* Draft letter report, Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, April 23, 1999.

Baepler, D.H., and A.E. Hechanova, *NRAMP Comments on "Modeling the Potential Biological Effects on the Performance of TRU Waste Buried in GCD Boreholes at the Nevada Test Site,"* Letter report, Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, April 6, 1999.

Crowe, B.M., A. Hechanova, R. Jacobson, C. Voss, R. Waters, M. Sully, and D. Levitt, "The Performance Assessment Impacts of Disposal of High-Moisture, Low-Level Radioactive Waste at the Nevada Test Site," *Proceedings, Waste Management '99 Symposia,* Tucson, Arizona, February 28 - March 4, 1999.

Hechanova, A.E., and A.K. Singh, *NRAMP Comments on "3.0 Performance Assessment Methodology (David Gallegos, February 1999),"* Letter report, Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, February 24, 1999.

Hechanova, A.E., and A. Smiecinski, *NRAMP Comments on "Draft Sandia's Quality Assurance Program for the Greater Confinement Disposal Project (Alletzhauer and Ehrhorn, February 1999),"* Letter report, Harry Reid Center for Environmental Studies, University of

Nevada, Las Vegas, NV, February 22, 1999.

Baepler, D.H., and A.E. Hechanova, *NRAMP Comments on "Charter Revision 0 for the DOE/NV Technical Working Group for the Performance Assessment of the TRU Wastes in the Greater Confinement Disposal Boreholes,"* Letter report, Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, February 18, 1999.

Hechanova, A.E., and A.K. Singh, *Estimation of Tritium Concentration in Nuclear Test Cavities at the Nevada Test Site,* Internal report, Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, February 10, 1999.

Presentations:

Hechanova, A.E., "Using Transmutation Technology to Reduce Hazard from Radioactive Waste," Health Physics Seminar, Invited Speaker, University of Nevada, Las Vegas, NV, December 10, 1999.

Moore, B., A.E. Hechanova, and D. Duncan, Atomic Energy Merit Badge Lecture Series, Boy Scouts of America, Las Vegas, NV, December 5, 19, and 26, 1999.

Hechanova, A.E., E.A. Johnson, B. Krupa, and K. Lauckner, "Radiation Detection and Risk," demonstration and display, U.S. Department of Energy, Declassification Film Festival, Clark County Library, Las Vegas, NV, November 3, 1999.

Hechanova, A.E., and B.T. Mattingly, "Nevada Risk Assessment/Management Program Comments," Greater Confinement Disposal Technical Working Group Meeting, U.S. Department of Energy, Nevada Operations Office, North Las Vegas, NV, November 2, 1999.

Hechanova, A.E., K. Lauckner, M. Davis, B. Krupa, C. Sully, and L. Wilson, "Radiation Detection and Risk," demonstration and display, Pahrump Nuclear Waste Advisory Board, Pahrump Harvest Festival, Pahrump, NV, September 17-19, 1999.

Hull, C., "Technologically Enhanced Naturally Occurring Radioactive Material in Phosphate Fertilizers and By-products," Health Physics Seminar, Invited Speaker, University of Nevada, Las Vegas, NV, September 17, 1999.

Hechanova, A.E., "Transmutation: A High-Tech Solution to High-Level Radioactive Waste," Special Technical Seminar, Invited Speaker, MIT Club of Southern Nevada and the Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, August 5, 1999.

Mattingly, B.T., "Deregulating the Electricity Utility Industry in Nevada," panelist representing the Harry Reid Center for Environmental Studies, University of Nevada, taped for Channel 4 by Nevada Power Company, Las Vegas, NV, June 17, 1999.

Hechanova, A.E., "Nuclear Science: Mysteries of the Unseen World," Girl Scout Science Day, Harry Reid Center for Environmental Studies, University of Nevada, Las Vegas, NV, May

15, 1999.

Hechanova, A.E., "Transuranic Waste in Greater Confinement Disposal Boreholes at the Nevada Test Site," Health Physics Seminar, Invited Speaker, University of Nevada, Las Vegas, NV, April 30, 1999.

Hechanova, A.E., "Accelerator-Driven Transmutation Technology," Invited Speaker on Senate Joint Resolution No. 6, Committee on Human Resources and Facilities, Nevada State Legislature, March 3, 1999.

Hechanova, A.E., "Underground Contamination at the Nevada Test Site," Invited Speaker, The Las Vegas Strip Kiwanis Club, Ellis Island Casino, Las Vegas, NV, February 5, 1999.

Hechanova, A.E., "Radioactive Waste in Nevada," Invited Panelist, League of Women Voters, Mardi Gras Inn, Las Vegas, NV, January 16, 1999.
